[general information](#)

We are eager to assist you, both in the planning and execution of your function. Should our menus not fulfill your particular needs, we will create customized selections, tailoring menus to your specifications.

[food & beverage](#)

The Hotel must supply all food items. Menu selections, room requirements and all other arrangements must be received thirty days prior to the function. No food may be taken off hotel premises. If alcoholic beverages are to be served on the hotel premises (or elsewhere under the hotel's beverage license), the hotel will require that beverages be provided and dispensed only by the hotel servers and bartenders. The Hotel's alcoholic beverage license requires the Hotel to (1) request proper identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced and (2) refuse alcoholic beverage service to any person who, in the Hotel's judgment appears intoxicated.

[billing & deposits](#)

For new accounts credit must be established with our Accounting Office thirty days prior to arrival date if you request billing privileges. Three hotel references from which you have been direct billed in the past must be provided. Approved billings are payable upon receipt of statement. In the event billing arrangements are not made, full payment is due three working days prior to the event by cashiers check, credit card or cash. An advance deposit may be required to secure the space for certain events. The hotel requires social organizations, weddings, schools and churches to pay in full, a minimum of (3) business days prior to the event. No Personal or Organization checks will be accepted within 10 business days of the event.

[guarantee agreement/attrition](#)

It is a requirement that the Hotel is notified of the exact number of attendees, three working days prior to the event. This will be considered a guarantee for which you will be charged, even if fewer guests attend. An increase in the guaranteed attendance will be accepted up to 24 hours before the function (72 hours on weekends) based upon our ability to procure the food and or staff.

The Hotel will set up 3% over the final guarantee figure. If the guarantee is not received in the Catering Office, the expected number of people will serve as the guarantee. An 80% minimum guarantee of the expected attendance is required from all groups hosting a catered event.

[room assignments](#)

Function rooms are assigned according to you anticipated number of guest. If there are fluctuations in the number of attendees, the Hotel reserves the right to re-assign your room accordingly.

[request for multiple entrees](#)

If multiple entrées are requested the following stipulations will apply.

1. If there is a price difference between the two entrées, the higher price will prevail for all entrées.
2. Guarantee procedure is required with indication for each entrée (3) business days prior to event.
3. Some form of entrée indication is required at the guest table; i.e. colored ticket, coded tags, etc.
